COOKIE DECLARATION

This website uses cookies. We use cookies to personalize content, provide social media features and to analyze our traffic. We also share information about your use of our site with our social media, advertising and analytics partners who may combine it with other information that you've provided to them or that they've collected from your use of their services. You consent to our cookies if you continue to use our website.

Cookies are small text files that can be used by websites to make a user's experience more efficient.

COOKIES USED ON THIS WEBSITE

Session and persistent cookies can be classified into one of four categories:

Strictly necessary cookies	These cookies are strictly necessary to enable you to move about the site or to provide certain features you have requested.
Functional cookies	These cookies allow the website to remember choices you make (such as your user name, language or region you are in) and provide enhanced, more personalized features.
Performance/Analytics cookies	These cookies collect non-personal information – data in a form that does not permit direct association with any specific individual - and support the measurement of websites. This information helps improve websites by identifying any problems that visitors may encounter during their visit and by learning how they entered the site and which pages they visited.
Third party cookies	These cookies are set by a website other than the one you are currently on. For example, some websites might have social media sharing buttons. When you use one of the share buttons, a cookie may be set by the service you have chosen to share content through. Such cookies can only be disabled through the relevant third party website. Some websites might display advertisements. Such cookies collect information about user's browsing habits and enable advertisements to be targeted to them based on their interests.

Necessary (2)

Necessary cookies help make a website usable by enabling basic functions like page navigation and access to secure areas of the website. The website cannot function properly without these cookies.

Name	Provider	Purpose	Expiry	Type
CookieConsent	nephrocare .com	Stores the user's cookie consent state for the current domain	1 year	HTTP
fe_typo_user	nephrocare .com	Preserves users states across page requests.	Session	HTTP

Category: Performance and Analytics cookies (5)

Statistic cookies help website owners to understand how visitors interact with websites by collecting and reporting information anonymously.

Name	Provider	Purpose	Expiry	Type
_pk_id#	nephrocare.com	Collects anonymous statistics on the user's visits to the website, such as the number of visits, average time spent on the website and what pages have been read.	1 year	HTTP
_pk_ses#	nephrocare.com	Used by Piwik Analytics Platform to track page requests from the visitor during the session.	1 day	HTTP
piwik.php	piwik.nephrocare.com	Identifies the site in Matomo (Piwik) analytics.	Session	Pixel
test	nephrocare.com	For testing and debugging purposes.	1 day	HTTP
qos_token	openstreetmap.org	Serves as a session cookie for visitors of openstreetmap.org so that we can provide a better User experience (faster loading times).	1 day	HTTP

Except where allowed by applicable law, we place cookies after having received your consent through the cookie banner. You can change your cookie settings (except for strictly necessary cookies that are required for the proper functioning of the site) at any time.

To the extent any Personal Data is collected through cookies or similar technologies, the other sections of the Privacy Policy apply.

You can choose to block the use of cookies through your browser. If you do not want to accept cookies, your browser can be set so that you automatically deny cookies storage or inform each time a site requests a cookie to be stored. Through the browser, previously stored cookies can also be deleted. See the browser's help pages for more information.

Please refer to **http://www.allaboutcookies.org/manage-cookies/index.html** for information on commonly used browsers. However, if you choose not to accept cookies, it may limit the features available to you on our websites.
